Dear Golden Girl Candidate Parents,

We are pleased that your dancer is interested in auditioning for the CHS Golden Girls Drill Team. It is an organization that is deeply rooted in tradition and excellence. It allows self-development in many areas: goal setting, high standards, morals, maturity, responsibility, dependability, and self-discipline.

As a prospective Golden Girl parent, you must realize the commitment and dedication required for all dancers once they make the team. Membership requires commitment from the family as well. Once your dancer is a member, you will be asked to join the Booster Club. The Booster Club performs many of our fundraisers. Parent support is essential to the success of this organization. Much will be expected of both you and your dancer.

Drill team auditions can be a very stressful time for some dancers. For those who are extremely concerned about the audition results' outcome, the pressure can be tremendous. We understand this and will do everything necessary to prepare your dancer for the actual audition process, and we hope you will do the same at home.

We encourage you to take the time with your dancer to read over all the following information. Please discuss the advantages and disadvantages of auditioning. Be sure your dancer is emotionally prepared for the outcome of auditions, no matter what the results may be.

For you and your dancer to better understand the audition process, we have prepared the following information packet. **Please note important dates and forms that need to be filled out and returned ON TIME. Also, please note that auditions will be closed to observers, and there will be no video cameras allowed in the audition room.** Parents are to wait outside the building when picking up their dancers after rehearsals and auditions.

We wish you and your Golden Girl Candidate the best of luck! If you have any questions, please feel free to contact me at [vwoods@conroeisd.net](mailto:vwoods@conroeisd.net).

Sincerely,

Ms. Woods (Soon to be Mrs. Ferrell)  
Golden Girl Director

## Grading Policy Form

**This form is DUE at the Mandatory Meeting on March 1 (NO late application will be accepted)**

Candidate's Full Name: \_\_\_\_\_ Student ID#: \_\_\_\_\_

**Note: The following academic policy will be enforced the day a candidate is chosen for membership as a Conroe High School Golden Girl:**

- A. A student who receives, at the end of any grading period (after the first six weeks of the school year), a grade below 70 in any class (other than an identified class eligible for exemption) or a student with disabilities who fails to meet the standards in the Individual Education Plan (IEP) may not participate in extracurricular activities for three school weeks. An ineligible student may practice or rehearse, however. The student regains eligibility after the seven calendar day waiting period has ended following a grading period or the three-school week evaluation period when the principal and teachers determine that he or she has earned a passing grade (70 or above) in all classes, other than those that are exempted. All schools must check grades for all participants at the end of the first six weeks of the school year. From that point, grades are checked at the end of the grading period, whether it is six, nine, or twelve weeks in length. Students who pass remain eligible until the end of the next grading period. All activity coaches and directors are responsible for obtaining official grade reports from the individual the principal designates as the keeper of official grades before the student represents the school. This provision applies to all grading periods. It also applies to all three-school week evaluation periods for ineligible students. (TEA & UIL Side-By-Side "No Pass No Play").
- B. A student with an "Incomplete" grade is ineligible at the end of the seven-day grace period unless the "Incomplete" was replaced with a passing grade prior to the end of the seven-day grace period. Students with an "Incomplete" grade either within or beyond the end of the seven-day grace period may regain eligibility if the work is made up in accordance with district policy in regard to time allowed for make-up work and the conditions under which make-up work is allowed. (TEA & UIL Side-By-Side "No Pass No Play").
- C. The second occurrence of academic ineligibility, at any time during the current membership year, will result in dismissal from the organization.
- D. After a failing grade has been recorded, the situation in which a student's grade may be changed to passing and eligibility restored is only as follows:
  - I. A mechanical error occurred in averaging or recording the original grade.
  - II. The teacher's grading procedure violated either local policy, state law, or Commissioner of Education rule, and the student would receive a passing grade if the correct procedure had been followed.
- E. Extra credit work or work (including re-test) turned in after the grading period, or evaluation has ended may not be considered when determining a student's eligibility for extracurricular activities except in the case of an "Incomplete" grade discussed in Section B above.

I understand and agree to adhere to the grading policy listed above if selected as a Golden Girl.
